

CamPocket Look

Trendy camera pouch in different colors

In the especially light-weight CamPocket Look from DICOTA you can safely stash your compact camera and accessories, saving room at the same time. The padded main pocket protects your autofocus, digital or APS camera from damage on all sides. Storage devices are ready-to-hand at all times in the integrated mesh pocket. Accessories such as rechargeable batteries are transported in the front pocket.

Carry the CamPocket Look the way you find it to be most comfortable: Either attach it to your belt with the belt clip or use the detachable shoulder strap to casually hang it over your shoulder. The pocket's durable material protects the camera from dust, dirt and scratches.

CamPocket Look is available in following color combinations: Green/ grey, red/ grey, orange/ grey, blue/ grey und light grey/ grey.

Padded main pocket for autofocus, digital or APS camera. side flaps for protection on the top. integrated mesh pocket (storage device).
